Seller and buyer agree by mutual consent on the sale/purchase of the above mentioned electronical device and acknowledge the following TERMS AND CONDITIONS of the contract:

1. The seller confirms that he is the legal owner and holds all of the rights of the device mentioned above.
2. The seller transfers the electronical device to the buyer for the price stated in this contract. The buyer will pay by bank transfer or by PayPal to the account indicated by the seller above within 10 working days after receiving the device. At this time the contract becomes effective.
3. In the case that the characteristics of the device provided by the seller in the online form do not match the characteristics determined in the buyers facilities, the buyer reserves the right to change the price and the seller has the right to request the return of the device (all shipping costs paid by seller).
4. This contract expires if not returned to the buyer within 15 days from the date of this contract.

The exclusive venue for any legal claims arising from this contract is the court of Orihuela City.

As proof of agreement we sign this contract on ____ of ____ of 2016
